

AMS EXTENDED WARRANTY FOR LAPTOPS

OVERVIEW

1. The AMS Extended Warranty- Advanced Exchange program allows you to purchase extended warranty coverage that lasts from one to five years. Under the AMS Advanced Exchange Program, should a covered item stop functioning properly during the warranty period, Axiom will replace the product and ship the replacement product to you using a next-business-day shipping service.
2. AMS immediately ships you a replacement device with a prepaid return shipping label before receiving your original defective product.
3. Return your original defective product to Axiom within 10 calendar days after you receive the replacement device.
4. Return your original product using the box and prepaid shipping label that comes with your replacement device.
