

# AXIOM NETWORK SOLUTIONS

## WHY AXIOM NETWORK SOLUTIONS?

Axiom network solutions are engineered to perform at or above its OEM contemporaries without the premium OEM pricing. All network solutions have also been tested and approved for guaranteed compatibility with all major networking brand hardware and equipment.

## NETWORKING TRANSCEIVERS, FIBER AND COPPER CABLE SOLUTIONS, NIC CARDS, DIRECT ATTACHED COPPER, AND ACTIVE OPTICAL CABLES

### TRANSCEIVERS

From 1G to 800G, Axiom transceivers are available for the major manufacturers and OEMs for networking and storage interconnectivity. Designed, programmed and tested for each application, every Axiom transceiver is backed by a lifetime warranty.

### FIBER AND COPPER CABLE SOLUTIONS

Axiom fiber and copper cable products provide high quality and high performance along with lightning fast data transmission rates to provide greater adaptability and flexibility for your network.

### NETWORK SERVER ADAPTERS

Axiom's family of 40Gb and 10Gb NIC server adapters provide a wide-range of solutions to boost network performance and improve IT flexibility

### DIRECT ATTACH COPPER (DAC) AND ACTIVE OPTICAL CABLES (AOC)

With extra flexibility and reliability, our lineup of DAC cables and AOC for both SFP+ and QSFP+ offer ultra-low latency. Available in a wide selection of cable lengths.
