

# WHY YOU SHOULD MAKE THE SWITCH TO THIRD-PARTY MAINTENANCE

**According to a 2024 IDC report, these are the top eight reasons customers want to move assets to Third-Party Maintenance.**

1. Provides better support (response time, right parts, mean time to repair)
2. Provides multi-vendor support
3. More knowledgeable engineers
4. Better offerings
5. Easier to do business with
6. Simple contracts that are easy to understand and are kept current
7. Monthly billing
8. Less expensive

**Axiom Maintenance Services is your third-party data center solution!**

Maximize product lifecycle and avoid being forced into costly, unnecessary upgrades. Protect equipment with Axiom Maintenance Services to minimize vulnerabilities and downtime.

We support all major OEM brands with maintenance contracts for Server, Network and Storage equipment.
